Fun with Lines (Scratch Art)

Follow the steps to create your own scratch art.

Step-1: Colour the sheet with crayon colours as shown.

Step-2: Take a black wax crayon and rub it to cover the sheet completely.

Step-3: Now scratch on the sheet with the scratching tool given in T-1 to make the lines as shown in the figure given above.

- Teacher's Note:**
1. Make sure that the students colour the sheet completely with colourful crayons.
 2. Help the students understand the use of scratch tool.

Art & Craft

Fun with Lines (Tree)

Subject Integration
EVS

Observe the different lines filled in the circles and tree trunk given below.

Fun Fact

Japanese Maple tree bears leaves that change colours in every season. They come in hues of red, pink, purple, gold, etc.

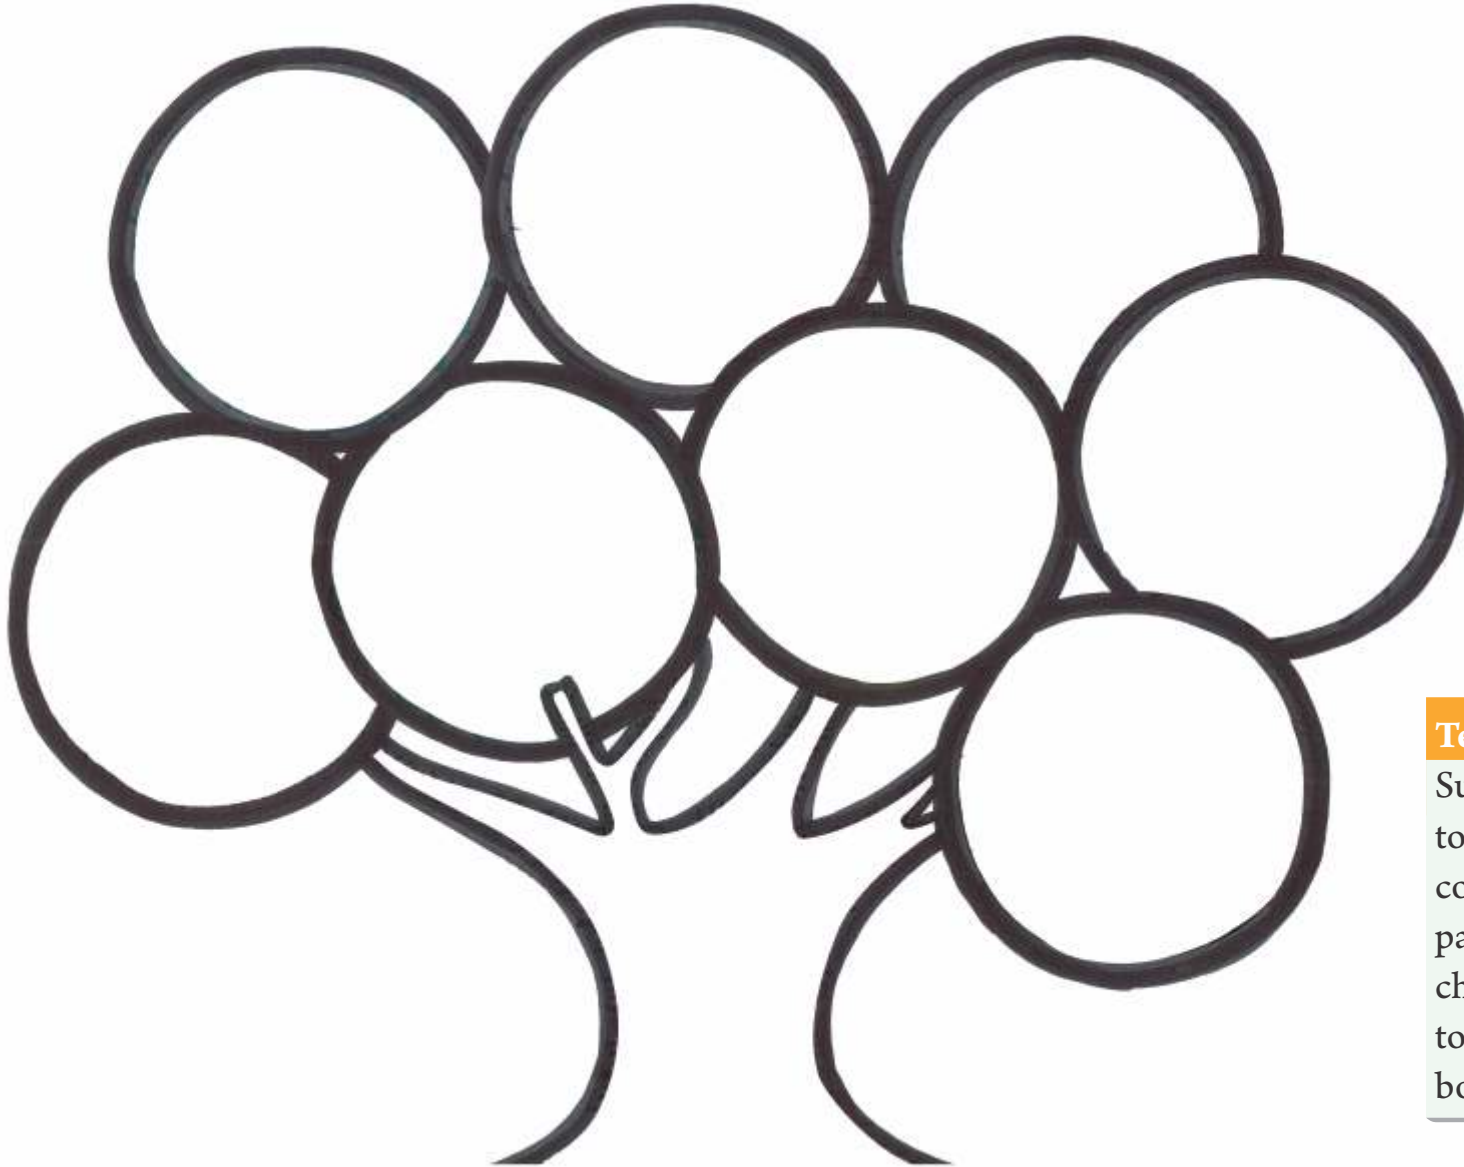

Teacher's Signature _____

OBSERVATIONS

Good V. Good Excellent

Fill the tree given below with different types of lines. Use sketch pens of different colours.

Teacher's Note:

Suggest the students to pick different colours for each line pattern of their choice. Guide them to fill within the boundaries.

OBSERVATIONS

Art & Craft

Fun with Dots and Patterns

Subject Integration
Maths

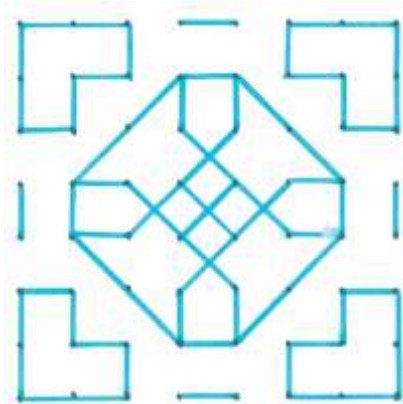

Observe the steps given below to learn how to create patterns by connecting the dots.

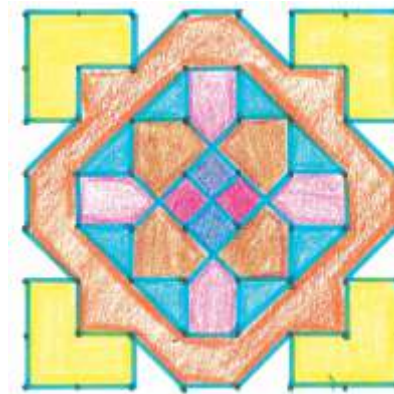

Step-1

Step-2

Step-3

Step-4

Teacher's Note: Help the students observe the progression of the pattern.

Teacher's Signature _____

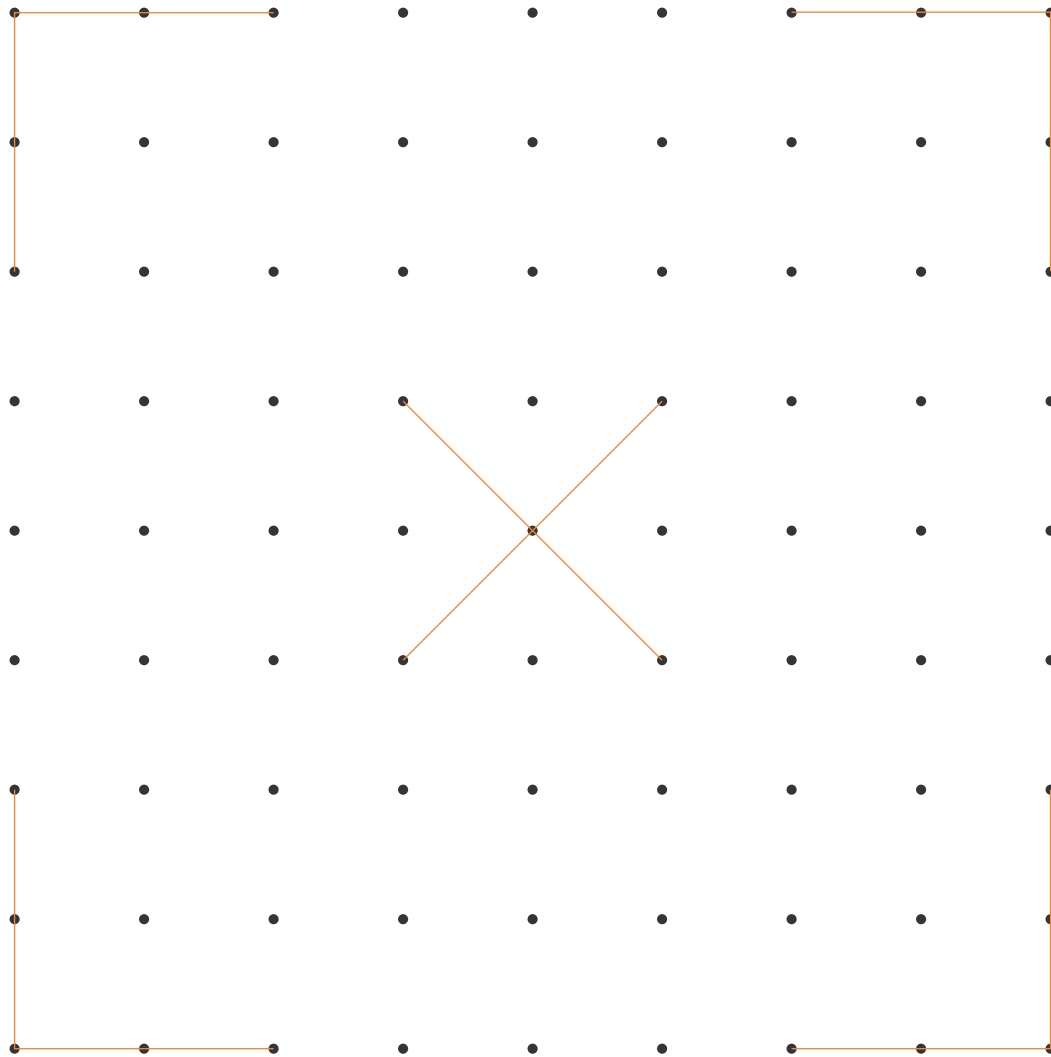

PM Publishers Pvt. Ltd.

OBSERVATIONS

Good V. Good Excellent

Make your own pattern by connecting the dots. Also colour it with crayons.

Fun Fact

The letter 'L' is made by joining three dots. If the two dots on the outer ends are joined, you get a triangle.

Teacher's Note: The first step has been done for the students. Guide them to follow the next set of steps to complete the pattern.

Art & Craft

Fun with Shapes (Natural Shapes)

Subject Integration
EVS

A. Find the stickers of these objects given in T-2. Colour and paste them on their outlines.

Teacher's Note: This activity aids in the enhancement of spatial sense and eye-to-hand coordination of the students. Guide them to do it on their own.

Teacher's Signature _____

PM Publishers Pvt. Ltd.

OBSERVATIONS

Good V. Good Excellent

- B. Observe the natural shapes of the objects given on the previous page and complete the picture given below. Fill it with the colours as shown.

Fun Fact

The most famous painting of stars and the moon was made by Vincent van Gogh, called 'The Starry Night'.

Teacher's Note: Help the students locate missing figures. Guide them to draw the figures in the correct places.

OBSERVATIONS

Good V. Good Excellent

Teacher's Signature _____

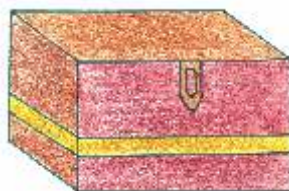

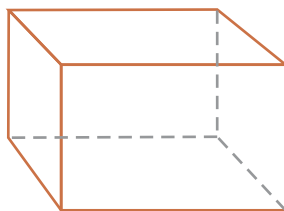

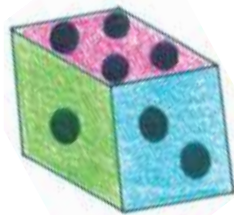

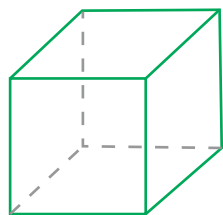

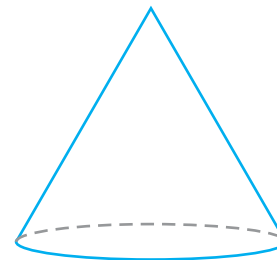

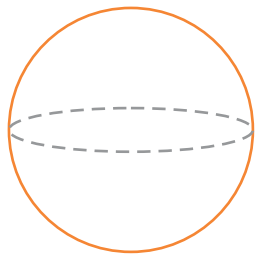

Art & Craft

Fun with Forms

Subject Integration
Maths

Observe these objects to understand their 3D shapes and forms.

Teacher's Note: Help the students understand the shapes given here and how to differentiate each one of them.

Teacher's Signature _____

PM Publishers Pvt. Ltd.

OBSERVATIONS

Good V. Good Excellent

Draw real life examples of the shapes you have seen on the previous page and colour them with the colours of your choice.

OBSERVATIONS

Teacher's Signature _____

Art & Craft

Mosaic Art

Subject Integration
Maths

Observe the different pieces of mosaic shapes joined together to make one piece of art.

Fun Fact

Mosaic art originated around 4000 years ago in Mesopotamia civilisation.

Teacher's Note: Explain the students what mosaic art is and how it can be found in various objects around us.

Teacher's Signature _____

OBSERVATIONS

Good V. Good Excellent

Find the shapes given in T-3, and colour and paste them in the box given below to create your own mosaic art.

Teacher's Note: Help the students take out and arrange the shapes.
Let them paste the pieces by themselves.

Learn to Draw (Castle)

Subject Integration
Maths + GK

Observe how a castle is drawn with a few simple steps.

Step-1: Make a square for the front wall of the castle. Add smaller square bricks on the top.

Step-2: Add two rectangles for side towers and a square tower on the roof.

Step-3: Add triangles on top of all three towers.

Step-4: Add flags on top of the towers.

Step-5: Add front doors and windows in the three towers.

Step-6: Make the horizontal rectangle bricks. Colour your castle.

Teacher's Signature _____

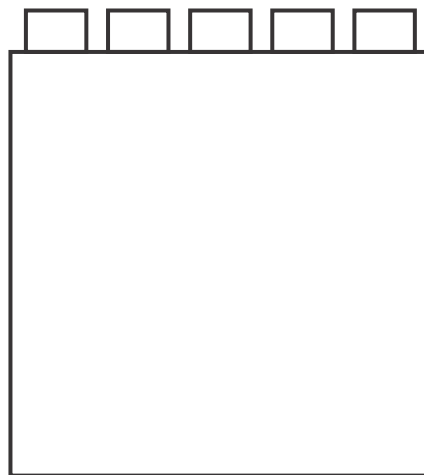

PM Publishers Pvt. Ltd.

OBSERVATIONS

Good V. Good Excellent

Follow the steps given on the previous page to draw your own castle.

Fun Fact

Malbork Castle in Poland, now a UNESCO World Heritage Site, is the world's largest brick castle.

Teacher's Note: The teacher can discuss the history and the purpose of building castles, as well as the different types of material used for making them.

Art & Craft

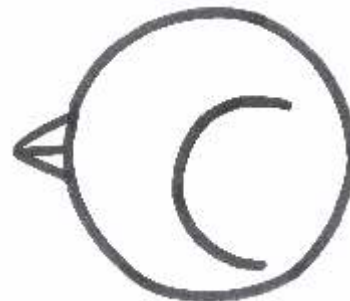

Learn to Draw (Bird)

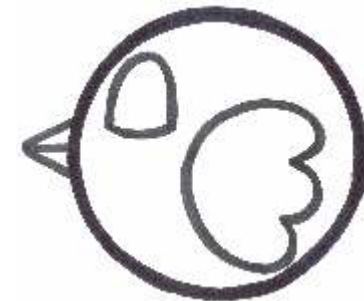

Observe the steps given below to understand how to draw a bird.

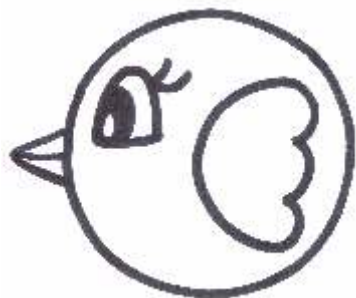

Step-1: Draw a circle for the face of the bird. Draw its beak.

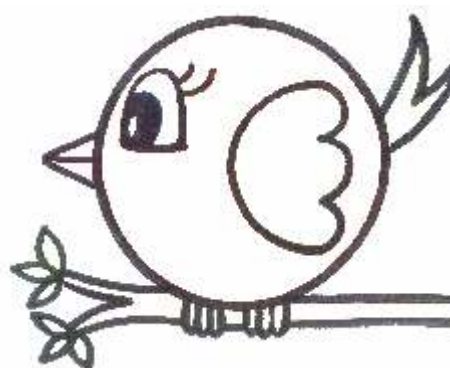

Step-2: Draw a C-shaped curve inside the circle for the bird's wing. Make its mouth by drawing a line inside the beak.

Step-3: Complete the wing with three curved lines. Make the outline of its eye.

Step-4: Fill the eye to make its eyeball and draw its lashes.

Step-5: Make its tail, feet and the branch it stands on.

Step-6: Colour your bird with crayon colours as shown.

Teacher's Note: Help the students follow step-by-step procedure to draw and colour the bird.

Teacher's Signature _____

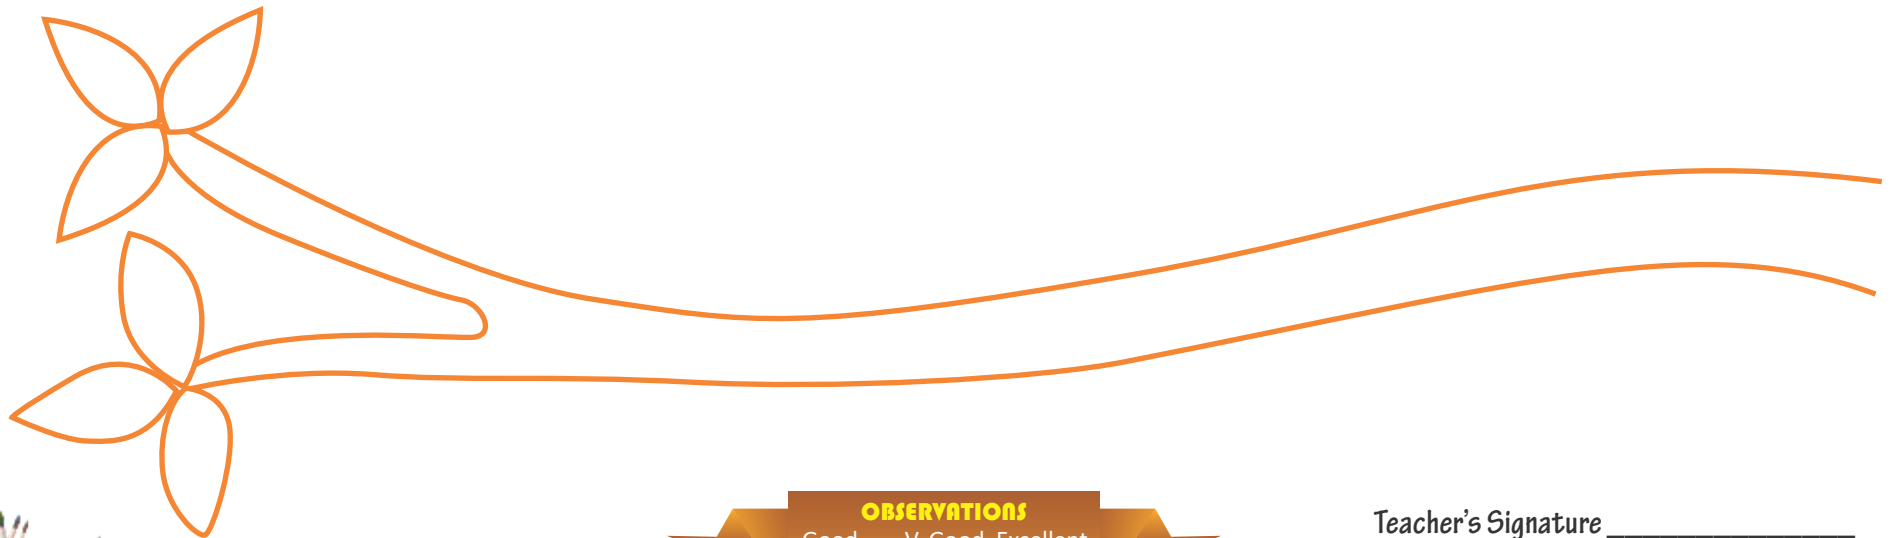

OBSERVATIONS

Good V. Good Excellent

Draw the bird as you learnt on the previous page. Colour it with the colours of your choice.

OBSERVATIONS

Art & Craft

Learn to Draw (Giraffe)

Subject Integration
EVS

Observe the steps given below to learn how to draw a giraffe.

Step-1: Make a long oval for giraffe's face. Overlap it with another smaller horizontal oval.

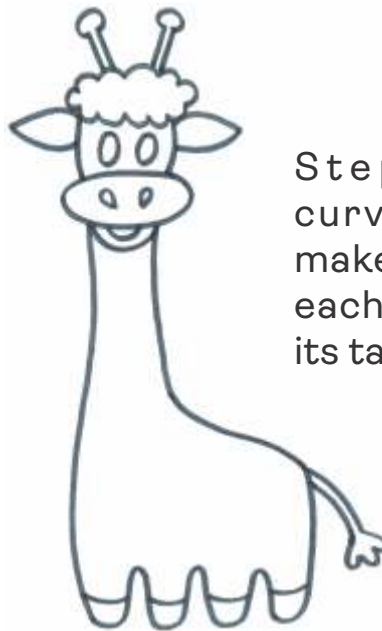

Step-2: Draw the mouth and hair of the giraffe.

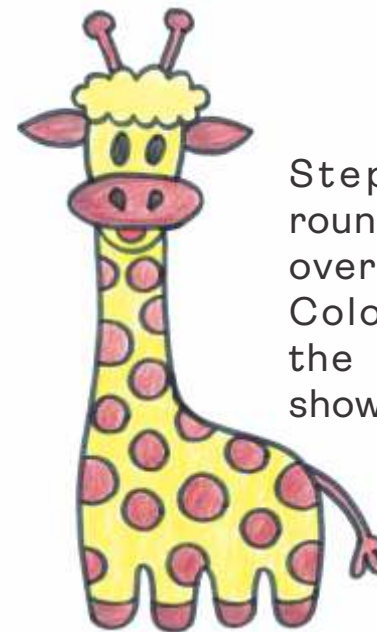

Step-3: Make its horns, ears, eyes and nostrils.

Step-4: Make its long neck, back and four feet.

Step-5: Draw curved lines to make hooves on each foot. Draw its tail.

Step-6: Make round spots all over the body. Colour it with the colours as shown.

Teacher's Note: Help the students follow step-by-step procedure to draw and colour the giraffe.

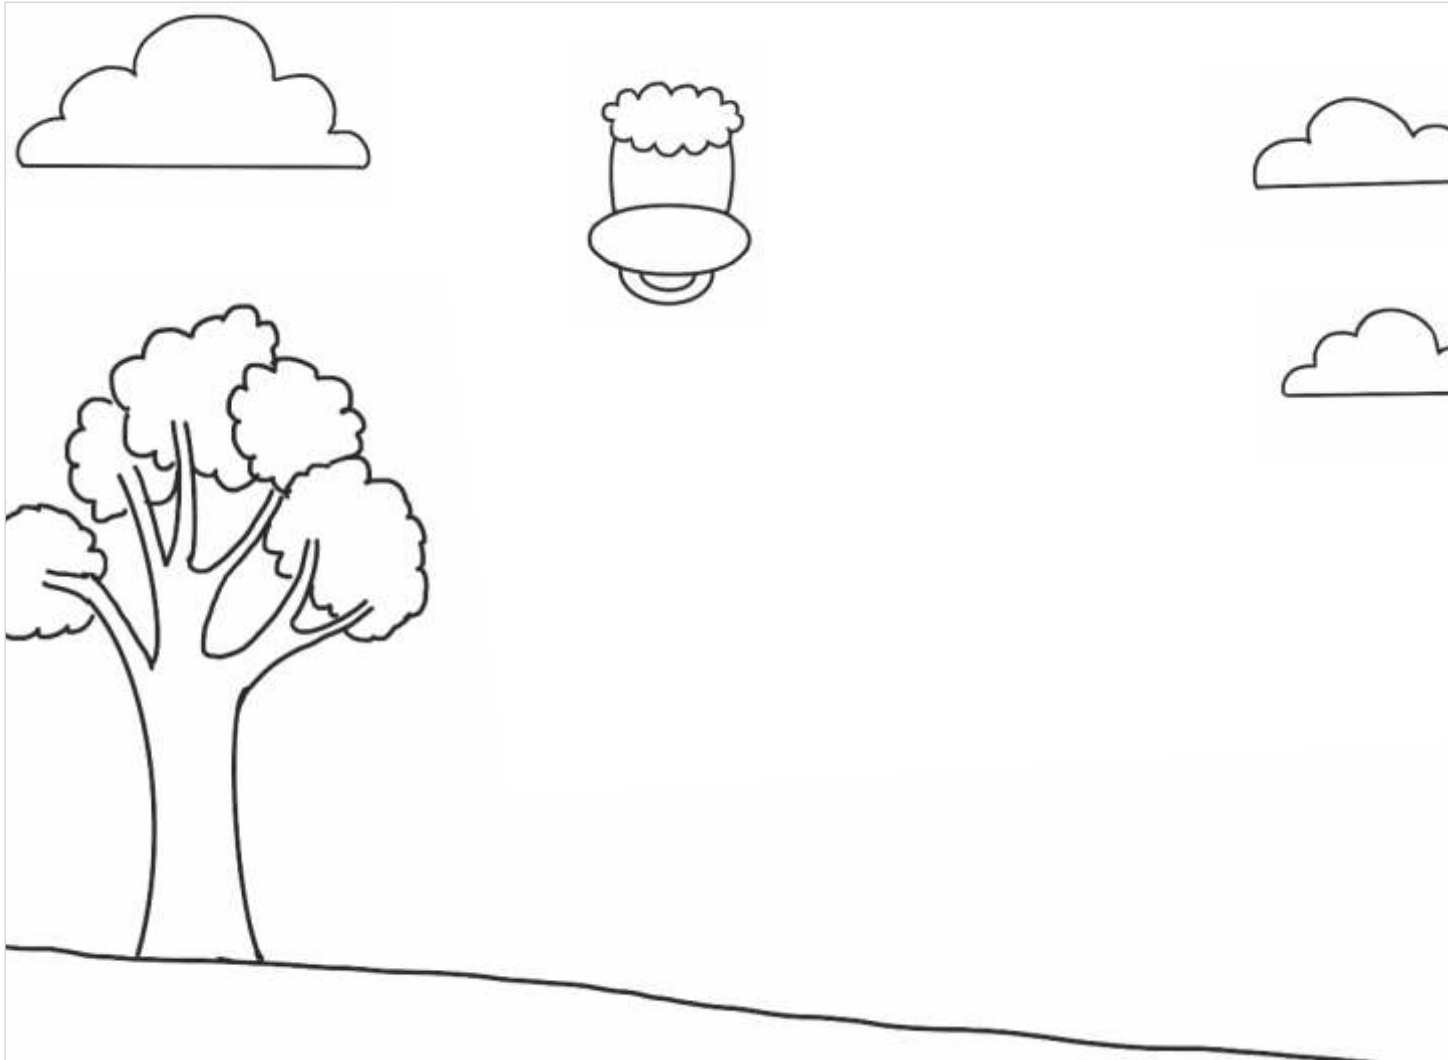

Teacher's Signature _____

OBSERVATIONS

Good V. Good Excellent

Draw the giraffe as shown on the previous page. Colour it with the colours of your choice.

Fun Fact

Giraffe has two toes on each foot.

Teacher's Note: Talk about giraffes, their anatomy, habitat and diet with the students. Discuss about the other hoofed animals.

OBSERVATIONS

Good V. Good Excellent

Teacher's Signature _____

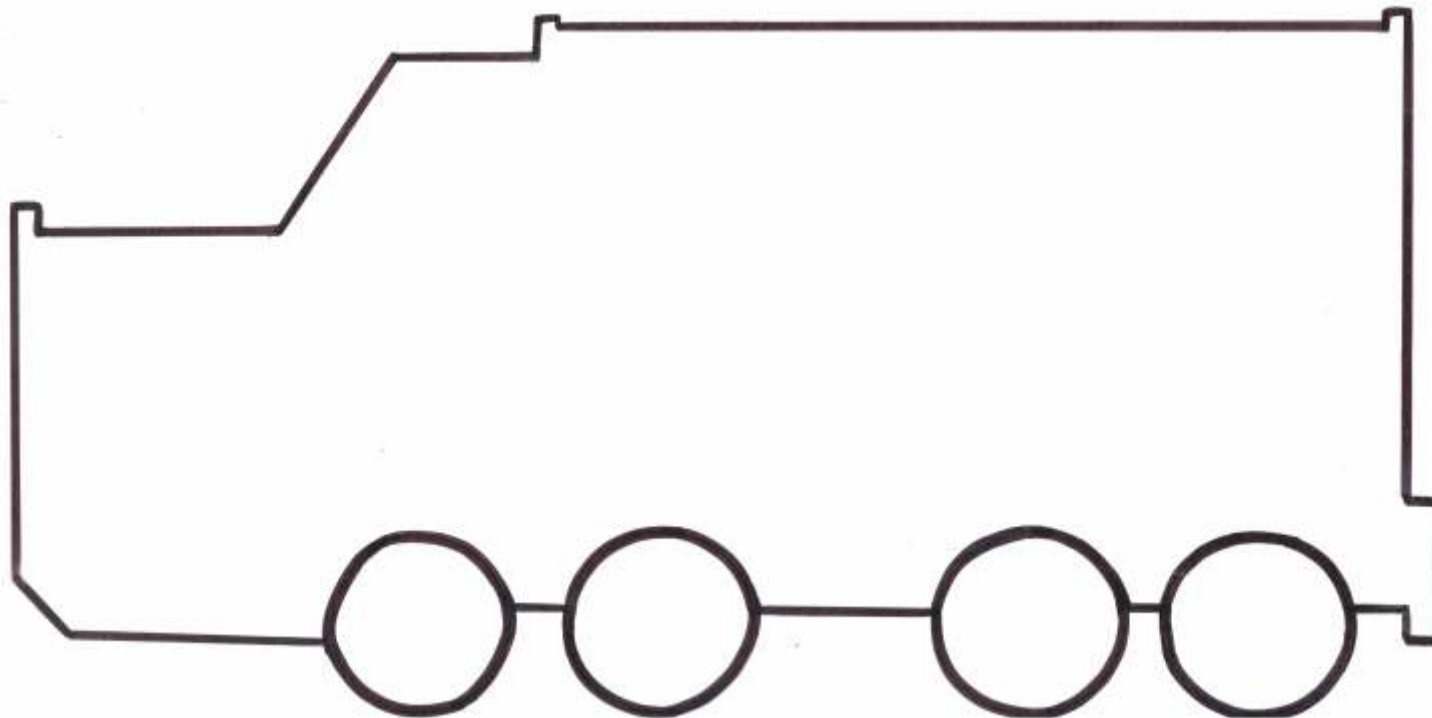

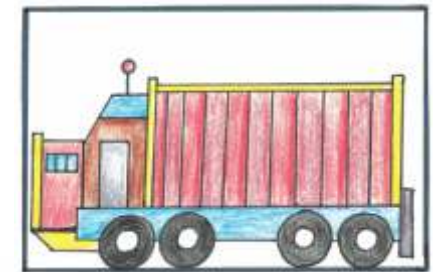

Art & Craft

Learn to Draw (Garbage Truck)

Subject Integration
EVS

Complete the picture of this garbage truck as shown and colour it with the colours of your choice.

Teacher's Note:

Discuss the use of garbage trucks and how they aid in waste management as well as keeping the environment safe and clean.

Teacher's Signature _____

OBSERVATIONS

Good V. Good Excellent

Beauty in Waste

Observe how pencil shavings are used to make the dress of the princess. Colour the princess and paste pencil shaving on her dress as shown.

Teacher's Note: Ask the students to start collecting the shavings of their pencils a couple of days before the activity is to be conducted.

OBSERVATIONS

Art & Craft

Fun with Craft (Fruit Basket)

Collect the material given in T-4 and observe the steps given below to create your own fruit basket.

Step-1: Take the brown or red sheet.

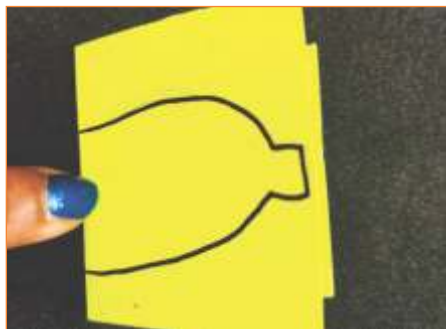

Step-2: Cut the sheet in strips.

Step-3: Arrange the strips in the given order. Apply glue to either edge and then paste them on the other strips.

Step-4: Take the yellow paper and fold it in half.

Step-5: Draw in the given manner to make the outline of banana.

Step-6: Cut along the lines and you will get a banana.

Step-7: Cut a square out of a red sheet.

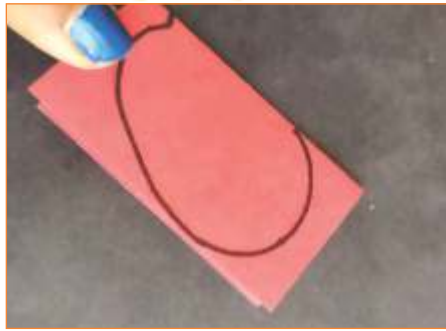

Step-8: Fold the sheet in half.

Teacher's Signature _____

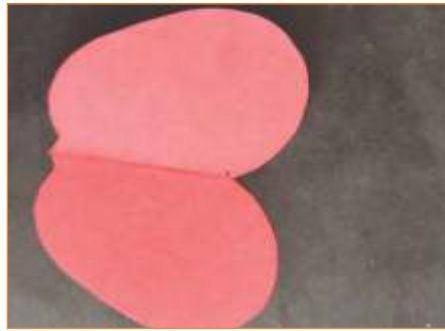

OBSERVATIONS

Good V. Good Excellent

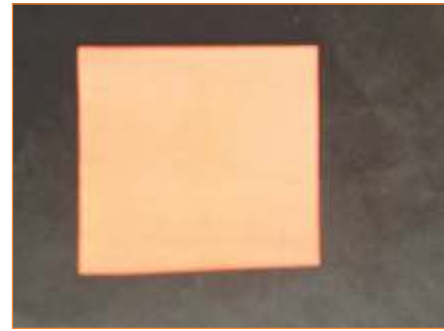

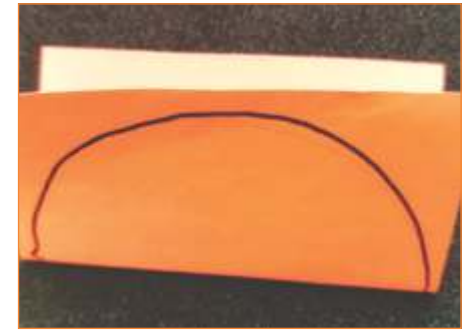

Step-9: Draw an oval like the one given in the picture.

Step-10: Cut along the lines drawn and you will get an apple.

Step-11: Cut out another square from an orange sheet.

Step-12: Fold it in half and draw a semi-circle on one side.

Step-13: Cut along the semi-circle to get an orange.

Step-14: Place the banana, apple, and orange by sliding them inside the basket made from strips.

Your fruit basket is ready.

OBSERVATIONS

Good V. Good Excellent

Art & Craft

Fun with Craft (Paper Fan)

Observe the following steps to make your own coloured paper fan.

Step-1: Collect the material given in T-5. Take glue, sticks and scissors.

Step-2: Cut two strips out of each sheet as shown with adult assistance.

Step-3: Paste the strips on a white sheet, using a glue stick, as shown.

Step-4: Fold the sheet as shown in the picture given above.

Step-5: Get the rubber band given in T-5 and wrap it around the folded sheet through the middle.

Step-6: Paste one side of the folded sheet using glue.

Teacher's Signature _____

PM Publishers Pvt. Ltd.

OBSERVATIONS

Good V. Good Excellent

Step-7: Paste an ice cream stick on one side of the sheet.

Step-8: Repeat it on the other side.

Step-9: Paste both the ice cream sticks together.

Step-10: Your colourful fan is ready.

OBSERVATIONS

Teacher's Signature _____

Art & Craft

Fun with Colours (Spider Web)

Subject Integration
EVS

Help the spider reach the centre of the primary and secondary web of colours.

Fun Fact

Spiders have a great sense of design and they decorate their webs with various patterns.

Teacher's Signature _____

OBSERVATIONS

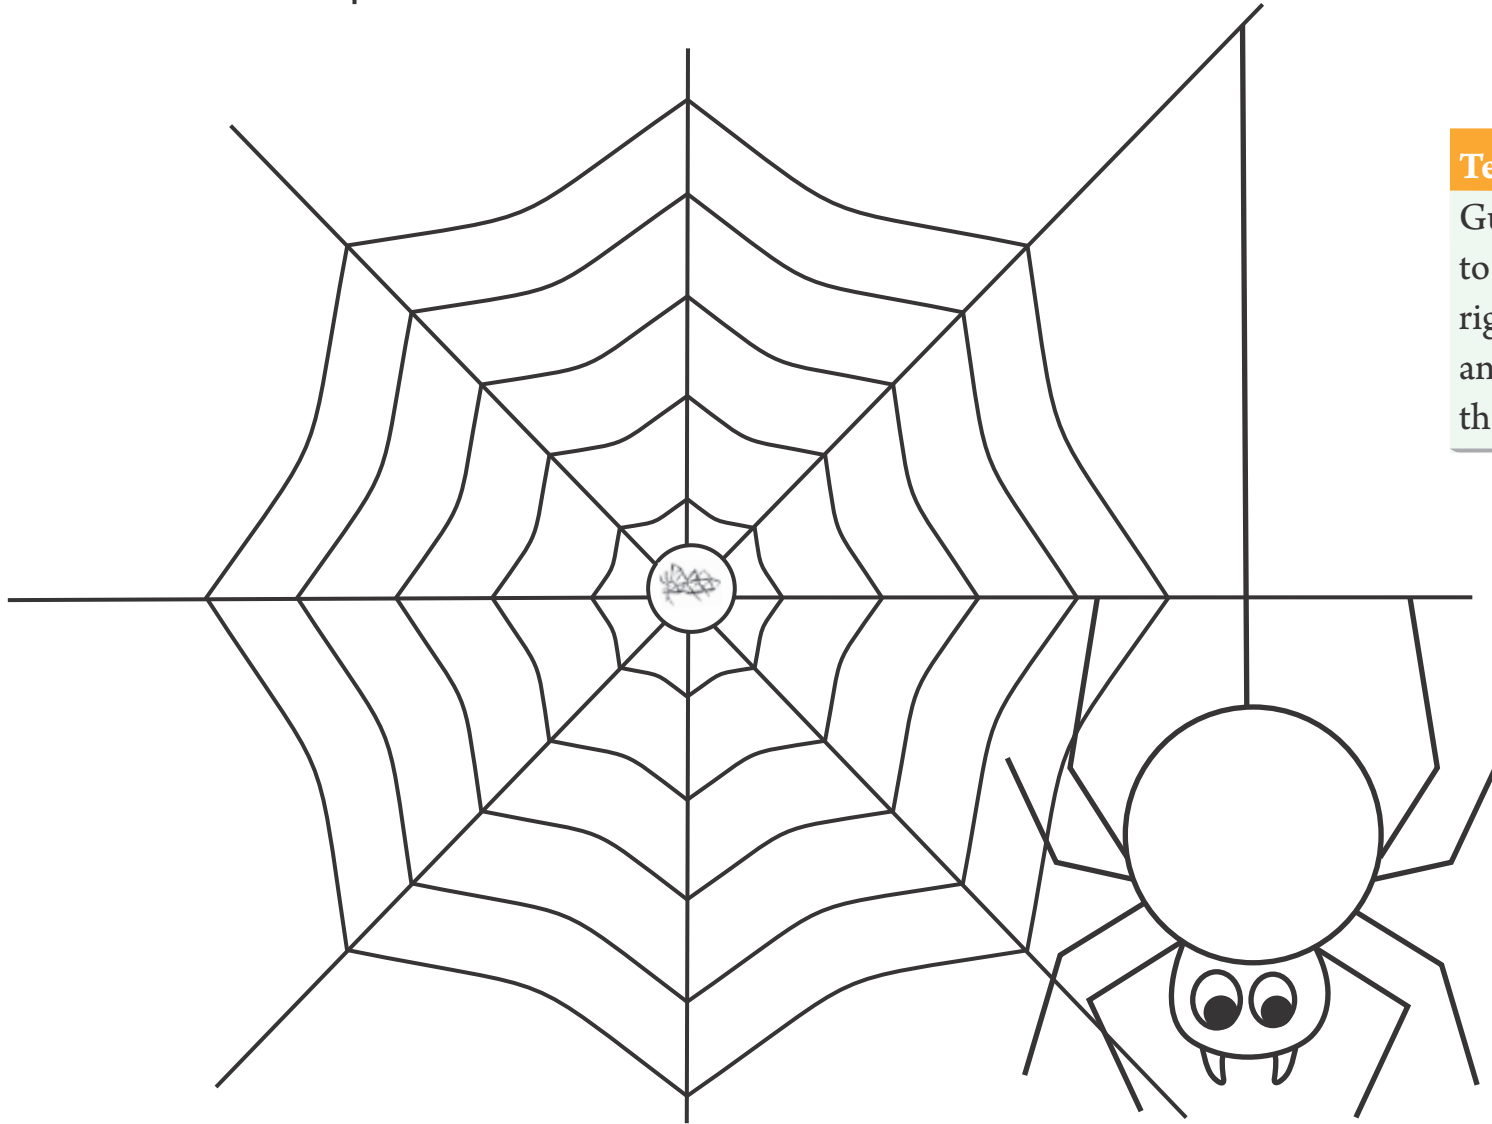

Good V. Good Excellent

Colour the web with primary and secondary colours as given on the previous page. Also colour the spider.

Teacher's Note:

Guide the students to colour in the right progression and to stay within the boundaries.

OBSERVATIONS

Good V. Good Excellent

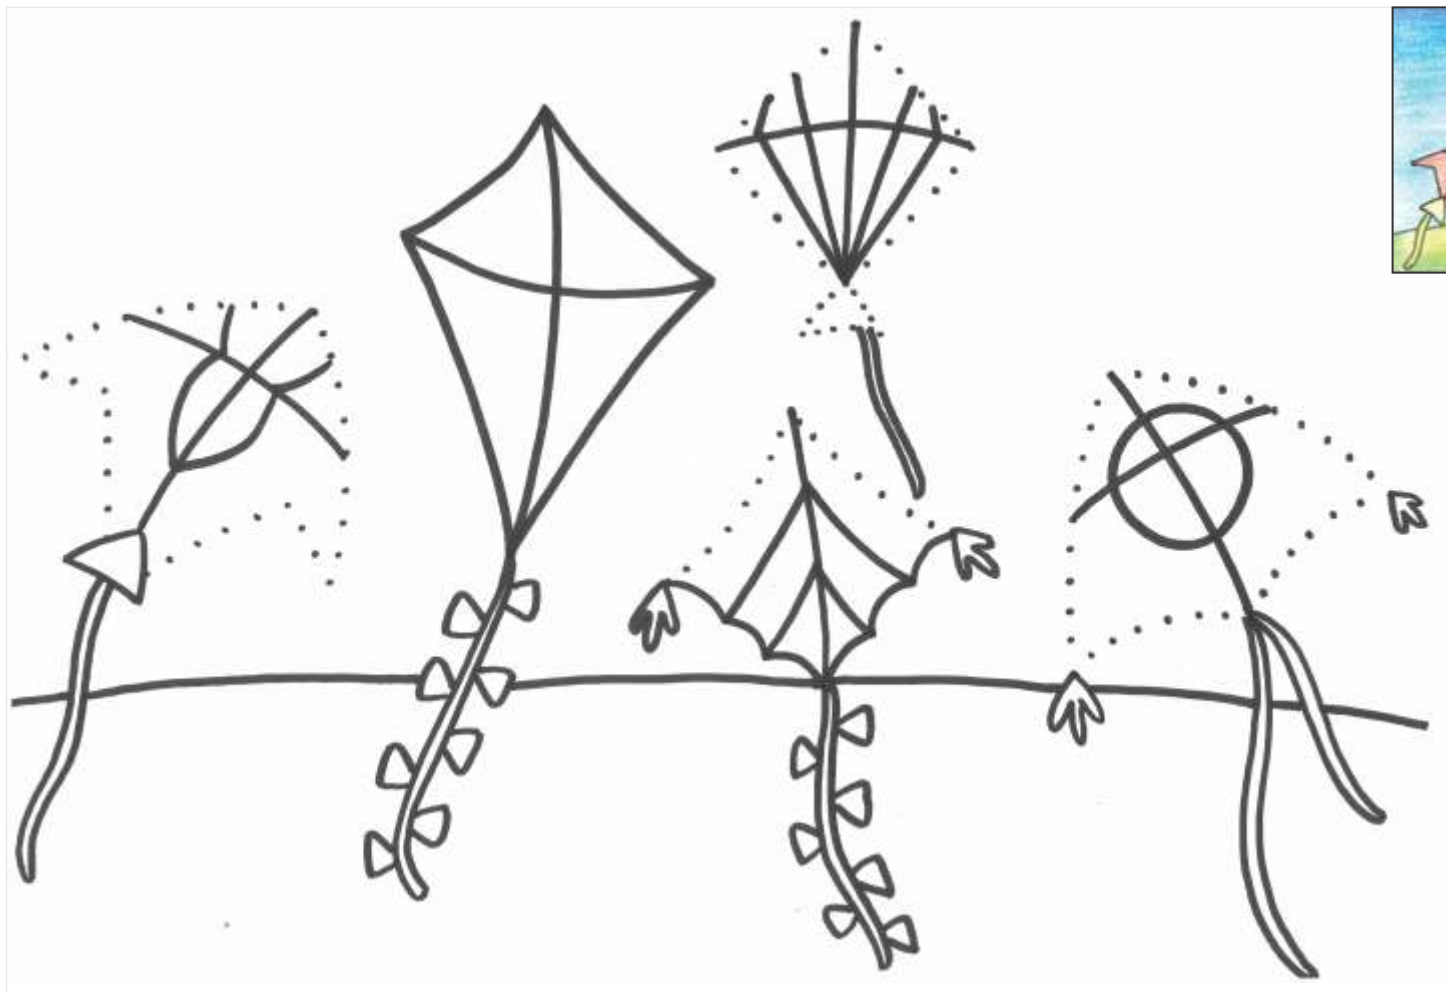

Teacher's Signature _____

Art & Craft

Fun with Colours (Festivals)

Subject Integration
EVS

A. Complete the drawing and colour it with warm and cool crayon colours.

Teacher's Note: Discuss the kite flying tradition of Makar Sankranti as well as the International Kite Festival celebrated in Gujarat.

Teacher's Signature _____

OBSERVATIONS

Good V. Good Excellent

B. Colour the picture of this Christmas scene and write your Christmas wish.

Teacher's Note: Discuss the importance of Christmas festival and narrate the story of Santa Claus who fulfils the wishes of children.

OBSERVATIONS

Good V. Good Excellent

Teacher's Signature _____

Art & Craft

Fun with Colours (Blow Painting)

Follow the steps given below to learn how to create a painting by blowing streams of water colours.

Step-1: Colour the kids with water colours or pencil colours of your choice.

Step-2: Get different water colours and mix each of them with a little bit of water. Make small dots on the sheet as shown above.

Step-3: Blow the dots with the straw given in T-6 to create different streams of colours.

Your painting is ready.

Teacher's Note:

Make sure the students blow the colours from an angle and not directly above it as it would splash the colours rather than creating a stream.

Teacher's Signature _____

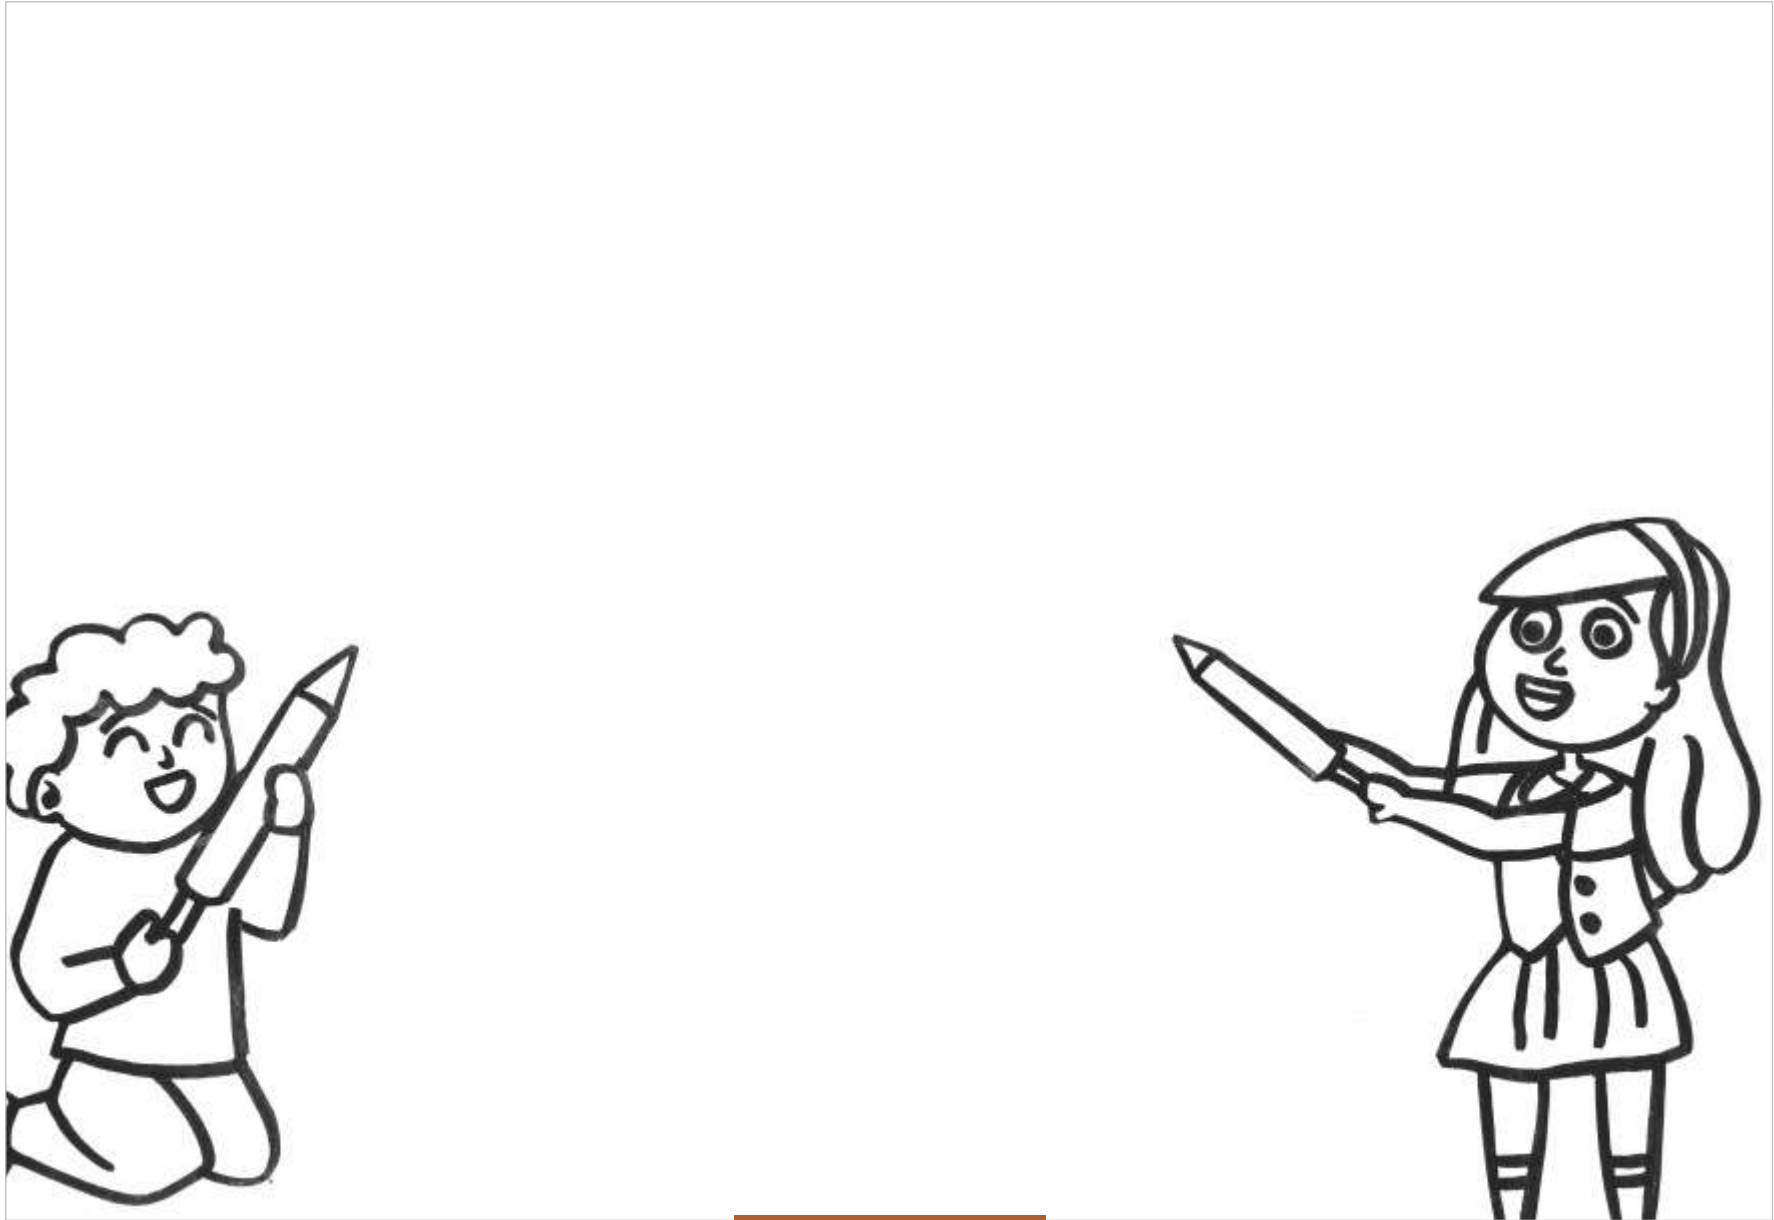

PM Publishers Pvt. Ltd.

OBSERVATIONS

Good V. Good Excellent

Draw the Holi scene by blowing streams of water colours as shown on the previous page. Also colour the kids.

OBSERVATIONS

Good V. Good Excellent

Teacher's Signature _____

Art & Craft

Fun with Colours (Thumb Art)

Subject Integration
English + EVS

Observe how finger prints of different colours have been used here to bring the animals to life.

Teacher's Signature _____

OBSERVATIONS

Good V. Good Excellent

Use water colours and your thumb to paint these animals the way they are painted on the previous page. Can you name all these animals?

OBSERVATIONS

Good V. Good Excellent

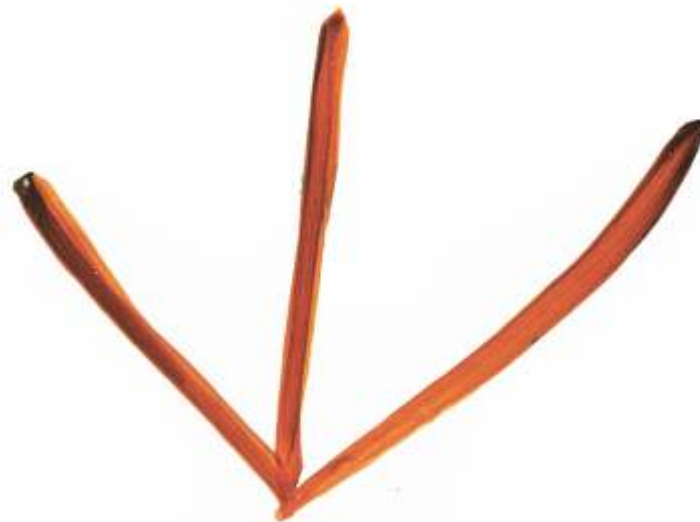

Teacher's Signature _____

Art & Craft

Fun with Colours (Handprint Art)

Subject Integration
EVS

Complete the drawing with your handprints using watercolours as shown.

Teacher's Note: 1. Instruct the children to let the paint dry before moving the page or closing the book.
2. Talk to them about the parts of a flower and ask them about their favourite flowers.

Teacher's Signature _____

OBSERVATIONS

Good V. Good Excellent

Story Time (Dussehra)

Draw the faces of Raavan and colour them as you like. Also colour the rest of the body.

Teacher's Note:

Narrate the story of Ramayana to the students and highlight the significance of Dussehra.

OBSERVATIONS

Good V. Good Excellent

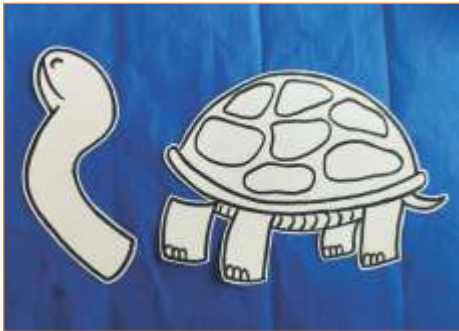

Teacher's Signature _____

Art & Craft

Value Time (Tortoise and Hare)

Subject Integration
Moral Value

Get the material available in T-7 and colour the template of the tortoise with the colours as shown below.

Step-1

Step-2

Step-3

Step-4

Your tortoise is ready. Now, tuck it with a pin on the scene of the story.

Teacher's Note:

Narrate the story of the Tortoise and the Hare to teach the values of patience, persistence and hard work.

Fun Fact

Tortoises are the longest living land animals in the world.

Teacher's Signature _____

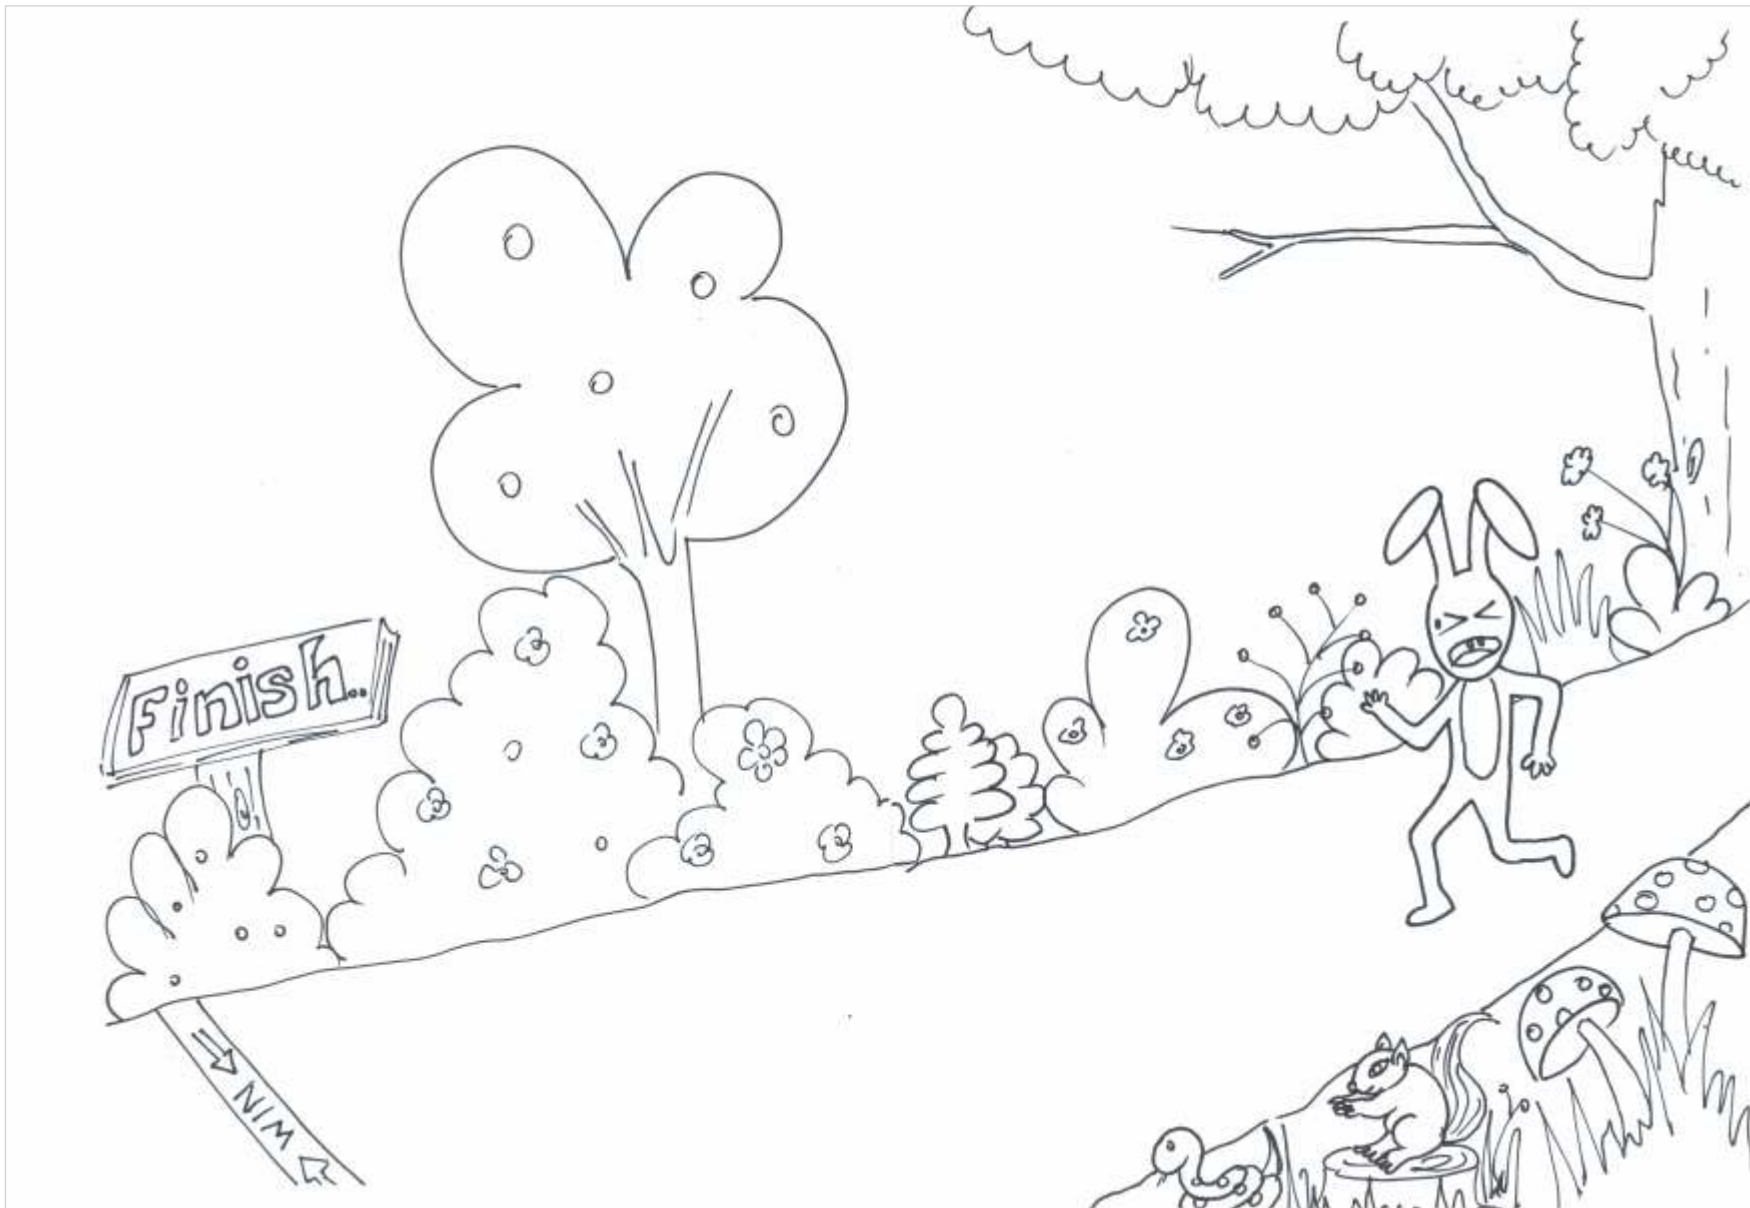

PM Publishers Pvt. Ltd.

OBSERVATIONS

Good V. Good Excellent

Colour the scene given below with the colours of your choice. Tuck the tortoise you have made in the previous activity with a pin.

OBSERVATIONS
